Re: Notification of intent by the Board of County Commissioners to place a referendum on the ballot of the November 2, 2010, general election whether to continue for the 2011-2012 and 2012-2013 fiscal years the 0.25 mills for critical operating needs of the Clay County School District currently levied in the District under Section 1011.71(3)(b), Florida Statutes

Dear Mr. Chambless:

The School Board (the CCSB) of Clay County, Florida (the County), has submitted a resolution to the County's Board of County Commissioners (the BCC), a copy of which is enclosed. Through the resolution the CCSB has directed the BCC to place a referendum on the ballot of the general election scheduled for November 2, 2010, for the electors of the School District (the District) to determine whether to continue for the 2011-2012 and 2012-2013 fiscal years the 0.25 mills for critical operating needs of the District currently levied in the District under Section 1011.71(3)(b), Florida Statutes, as amended by s. 30 of ch. 2010-154, Laws of Florida.

Section 100.151, Florida Statutes, provides as follows:

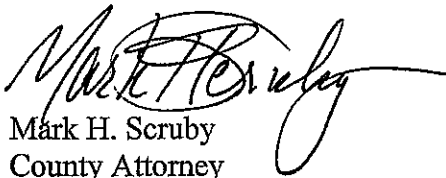

County commissioners . . . shall not call any special election until notice is given to the supervisor of elections and his or her consent obtained as to a date when the registration books can be available.

Although said Section 100.151, Florida Statutes, appears to apply only to special elections, in an abundance of caution and in accordance with the direction of the BCC at its meeting of June 22, 2010, I am submitting this notification to you on behalf of the BCC of the BCC's intent to place the foregoing referendum on the ballot of the November 2, 2010, general election, and requesting your consent for the registration books to be

available on said date, to the extent such notification may be required under Section 100.151, Florida Statutes. Please advise whether you consent to the placement of the foregoing referendum on the ballot of the November 2, 2010, general election and to having the registration books available on such date, to the extent such consent may be required under Section 100.151, Florida Statutes.

**SECTION 1: AUTHORITY FOR RESOLUTION.** This Resolution is adopted pursuant to Section 1011.71(3)(b), Florida Statutes, and other applicable provisions of law.

**SECTION 2: FINDINGS.** The Board hereby finds and determines as follows:

A. All School Boards in the State of Florida, including this Board, have experienced drastic funding reductions in recent years while operating expenses continue to rise.

B. In the School District of Clay County, currently recognized revenue losses from the 2007-2008 fiscal year to the 2009-2010 fiscal year are equivalent to a per pupil decrease of more than seven (7) percent in total funding, and a decline of \$24.2 million in state revenues, and additional reductions are anticipated for the 2010-2011 and subsequent fiscal years.

E. Section 1011.71(3)(b), Florida Statutes, as amended by C.S./H.B. 5101, Reg. Sess. § 30 (Fla. 2010), provides that in order to be continued after the 2010-2011 fiscal year, the Critical Needs Millage must be approved by the voters of the District at the 2010 general election, for a period not in excess of two (2) years or until changed by another millage election, whichever is earlier.

F. Subject to approval by the electors of the District at a referendum held as provided in Section 1011.71(3)(b), Florida Statutes, as amended by C.S./H.B. 5101, Reg. Sess. § 30 (Fla. 2010), the Critical Needs Millage shall be levied for critical operating needs of the District for the 2011-2012 and 2012-2013 fiscal years.

G. The Commissioners of Clay County, Florida are hereby directed to place this measure on the ballot for the November 2, 2010 general election.

**SECTION 3: CONTINUING LEVY OF CRITICAL NEEDS MILLAGE.** Subject to approval by the electors of the District at a referendum held as provided in Section 1011.71(3)(b), Florida Statutes, as amended by C.S./H.B. 5101, Reg. Sess. § 30 (Fla. 2010), an additional 0.25 mills shall continue to be levied within Clay County for critical operating needs of the District for the 2011-2012 and 2012-2013 fiscal years in an effort to preserve critical operations of the District while enduring declining state revenues.
