**CLAY COUNTY SOE INVITES THE PUBLIC
TO OBSERVE THE LOGIC AND ACCURACY TESTING**

Clay County Supervisor of Elections office invites the public to observe the Logic and Accuracy (L&A) testing Friday, August 8, 2014 at 9:30 a.m. at 500 N. Orange Ave, Green Cove Springs, Florida 32043. L&A will test the county's voting and tabulating equipment to be used in the August 26, 2014 Primary Election. Florida law requires the Supervisor of Elections to conduct a public test of the county's automatic tabulation equipment and reporting software prior to each election to ensure it is operating and recording accurately. The public logic and accuracy testing is performed on a random sampling of all the tabulating equipment that will be used for mail (absentee) ballots, Early Voting and Election Day.
