CLAY COUNTY ELECTIONS OFFICE SUMMER CLEANUP

The Elections office has recently kicked off its Summer Cleanup project by mailing a registration application to all voters who have not updated their signature on file in five (5) years or more. In an effort to ensure that our voters' signatures on file are their current signature, we have sent voter registration applications in the mail for those voters to update their signature or make any other change such as name, address and/or party affiliation as needed.

Signatures are verified each time a voter checks-in to vote, submits a Vote By Mail Ballot or signs a petition. For more information, please visit our website at www.ClayElections.com or call (904) 269-6350.
