Public Invited to Observe Logic and Accuracy Test for General Election

In preparation for the General Election on November 6th, a Logic and Accuracy (L&A) Test is scheduled for October 19, 2018 at 9:30 AM. It will be held at the Clay County Supervisor of Elections Office, located at 500 N. Orange Avenue, Green Cove Springs, Florida 32043.

L&A testing is required by Florida law and is held prior to every election. Samples of test ballots are processed through the tabulation equipment to certify it's functioning properly and votes are accurately counted. The process is open to the public and all interested parties are welcome to attend.

Integrity, security, and accuracy are crucial components of the electoral process. The Supervisor of Elections staff is dedicated to serving the voters of Clay County and wants them to know they can cast their ballots with confidence.
