Looking to Serve Your Community? The SOE Needs You

The General Election takes place on **November 6, 2018**. Clay County Supervisor of Elections Office anticipates a high voter turnout and is actively hiring Election Workers. Election Workers are integral to the election process and ensure voting is run efficiently and fairly.

Election Workers serve in the precincts on Election Day as either deputies or inspectors. You must be a registered voter in Clay County. Responsibilities include checking in voters, issuing ballots, monitoring equipment, maintaining order at the precinct, and offering any assistance needed. Both positions earn \$150 per election. We also need bilingual Elections Workers who are able to read and write English and Spanish fluently. This is a great opportunity for civic-minded individuals to help their community and take part in the democratic process.

Florida Statute requires Election Workers complete a training class before each election. On Election Day, they report to their assigned precinct by 6 AM to prepare for voting, which begins at 7 AM. They will stay till polls close at 7 PM and every voter has voted. Though it's a long day, it is a valuable and rewarding role.

If you, or someone you know, are interested in learning more about working at the polls for the 2018 General Election they may visit our website ClayElections.com or contact Thunder Nkere at (904) 269-6350.
