Clay County SOE Invites Public to Observe Logic and Accuracy Testing

In preparation for the Primary Election on August 28, 2018, a Logic and Accuracy (L&A) Test will be conducted this Friday, August 10 at 9:30 a.m. It will be held at the Clay County Supervisor of Elections office located at 500 N. Orange Avenue, Green Cove Springs, Florida 32043.

L&A testing, required by Florida law, is done prior to every election to ensure the equipment correctly counts, and records votes. Samples of test ballots are processed through the tabulation equipment to certify the county's equipment is functioning properly. The process is open to the public and all interested parties are welcome to attend. The Supervisor of Elections office understands integrity, security, and accuracy are crucial components of the electoral process and wants Clay County voters to know they can cast their ballots with confidence.

The Supervisor of Elections staff is dedicated to serving the voters of Clay County.

For more information, visit our website www.ClayElections.com or call (904)269-6350 if we can assist you.
